

## Innovative Plant-Based Waxes

Vegan Friendly | Biodegradable | Sustainable

The building blocks for the best candles and wax melts is the best wax. EcoSoya waxes are fully formulated and easy to use, crafted using 100% natural and sustainable products. Create with confidence with a reliable wax that is the favourite in the UK, Australia and USA.

-  Available in pastilles and flakes for easy use
-  Manufactured in the UK
-  Compatible with standard candle making equipment
-  Precision engineered by our in-house chemists
-  No additives necessary to achieve the perfect candle or wax melt – just add fragrance and go
-  100% natural, vegan friendly and cruelty-free
